FORMATION OF PESJ FRIENDS FOUNDATION CHARITY /AS'HAAB AL KHAIRIYAH

- ***The Prophet Muhammad (peace be upon him) said: "Every Muslim has to give in charity." The people then asked: "(But what) if someone has nothing to give, what should he do?" The Prophet replied: "He should work with his hands and benefit himself and also give in charity (from what he earns)." The people further asked: "If he cannot find even that?" He replied: "He should help the needy who appeal for help." Then the people asked: "If he cannot do (even) that?" The Prophet said finally: "Then he should perform good deeds and keep away from evil deeds, and that will be regarded as charitable deeds."*** - Sahih Al-Bukhari, Volume 2, Hadith 524

Water is one of the most basic necessities of human life, but unfortunately, millions of people are trapped in a cycle of poverty and disease due to not having access to clean drinking water.

Helping the ummah with the bare necessities like clean water is significant. With your zakat donation, quench the thirst of those in need of your help, and see the change you've made in many areas in Pakistan.

Water is an essential necessity needed to sustain life. However, although water may be in plentiful supply for those of us here in the developed countries, there are many millions of people around the world who simply do not have access to clean, safe drinking water.

Countless men, women and children are stuck in a devastating cycle of poverty where thirst and disease are so commonplace that they have become a part of daily life.

These people spend hours every day walking miles to collect water, which in many cases, is not even clean or safe to use. In these communities, open sewers run past people's homes, water is scarce, and disease is rife.
