Annual Report 2021-22
(Mar 21 - Feb 22)

FORMATION OF AL KHAIRIYA FOUNDATION

- *The Prophet Muhammad (peace be upon him) said: "Every Muslim has to give in charity." The people then asked: "(But what) if someone has nothing to give, what should he do?" The Prophet replied: "He should work with his hands and benefit himself and also give in charity (from what he earns)." The people further asked: "If he cannot find even that?" He replied: "He should help the needy who appeal for help." Then the people asked: "If he cannot do (even) that?" The Prophet said finally: "Then he should perform good deeds and keep away from evil deeds, and that will be regarded as charitable deeds." - Sahih Al-Bukhari, Volume 2, Hadith 524*

Alkhairiya Foundation Charity also known as As'haab lil khairiyah was founded in **Feb-2018** by group of childhood friends who came together in order to help and support the needy families , the basic work of this Charity trust initially was to organized monthly Rashans and give financial assistance to cover their daily needs. But as the members increased the scope of the trust activities also increased. Its our honour that Allah has given us the opportunity to serve and help the people in need as much as we can.

Its been 4 years since we started this trust and Alhumdullilah our friends and families have been so much supportive of our cause. We do not have the words to explain how blessed we are to have such friends and families who have opened their hearts and pockets for the sake of Allah. May Allah give them more in this world and the hereafter.

It is our aim to help as many people as we can and keep the costs to minimum and for such reason we have been using volunteers mostly for the distribution of donations.

Summary of the accomplishments and the activities for the last year is included in this report along with the full financial summaries
